Help and Hope™ *From Families Who Have Walked the Walk* *Substance Use: The Growing Need to Know*

In this 300-page edition of *Help and Hope™*, readers are presented a foundational understanding of substance use and addiction and given content from guest authors from the “front lines” of the fight who provide information about prevention, treatment, and recovery supports. Those with first-hand experience with substance use and addiction share their engaging, emotionally compelling testimonies.

Resources include an extensive list of local, state, and national substance use resources including specific information for how to get help in BUCKS, CHESTER, DELAWARE, & MONTGOMERY counties.
